Hi Jim-

I'm curious if you have an idea if the [REDACTED] case scheduled for trial next Tuesday (4/24/12) will likely go or not? I have a Superior Court case in Fall River scheduled to start on Monday, and the ADA there inquired about my availability on Tuesday. I told him about your case, and depending on what's going on, I may be available, even if it means I testify first thing Tuesday morning and then rush back to Springfield for you. Thanks for your input.
